Object: Brazilian Confederation of Sport Climbing (CBEscalada) Certificate

To whom it may concern,

The International Federation of Sport Climbing (IFSC) is the world governing body for Sport Climbing and Para Climbing recognised by the International Olympic Committee.

With the present letter, IFSC certifies that the Brazilian Confederation of Sport Climbing (Confederação Brasileira de Escalada, CBEscalada) is the only national governing body recognised by IFSC to represent, regulate, and develop the sport of Sport Climbing in Brazil since 2014. CBEscalada is entitled to be represented at IFSC General Assemblies and is authorised to host IFSC events as well as register athletes and team officials for the circuit of IFSC-sanctioned international Sport Climbing competitions, such as World Championships, World Cups, Youth World Championships, etc...

I remain available for further questions.

With kind regards,

Debra Gawrych
IFSC Secretary General
